

VENUE FACT SHEET
MAGASINET 2023

mag

ABOUT MAGASINET

In the heart of Odense lies Magasinet. The venue has been active since 1989 and presents a vast variety of, in particular, music, talks and stand-up.

With its very special atmosphere and high sound qualities, Magasinet has lived to become a favorite venue for many performers and audiences. The unique layout brings the audience very close to the stage, creating a warm and engaging mood to any event – minimizing the so called fourth wall.

Magasinet organizes its own events and participates in co-productions, but the venue can also be rented by external organizers.

Magasinet is a part of Kulturmaskinen, a cultural centre which also involves a smaller venue (Frølageret), Rosenbækhuset, Kunstbygningen Filsoffen (an art gallery), a clay- and textile work-shop and OFF – Odense International Film Festival. Kulturmaskinen in turn, is a part of Odense Municipality.

VENUE ADDRESS

Magasinet
Farvergården 19
5000 Odense C
Denmark

GENERAL INFO

Magasinet is medium sized venue in the centre of the city, capable of hosting concerts, stand-up, musicals, talks and movie screenings.

CAPACITY

Main floor: 650 standing guests or 350 seated guests

Balcony: 150 seated guests

LOAD IN/OUT

There is direct access to the floor, the stage and the balcony via a street level elevator. The dimensions of the elevator is 2,30m x 1,18m x 2,12m (L x W x H) and it has a max payload at 1000 kg.

PARKING

There is parking within walking distance of Kulturmaskinen. You will be directed there by the event manager. On busy days it is possible that the car park may be full.

INTERNET

We offer overall coverage of wireless network and internet via **'WIFI4EU'**. Ask the staff for access if needed.

TELECOIL

We have a telecoil system in Magasinet.

GREEN ROOMS / DRESSING ROOMS

The facilities consist of two 16m² rooms situated behind the stage on the 2nd floor, above the backstage area. One room has 7 seats, makeup-desk with lights and mirrors and a bathroom with shower. The second room is the lounge area with two sofas, TV, a small kitchen and a bath-room. There is direct access from the dressing rooms to the stage.

CATERING

All back stage catering responsibilities lie with the organizer of the event. Kulturmaskinen does not offer any food services as such, but snacks and drinks can be purchased at an additional fee. If you wish so, please notify us as soon as possible.

FIRE/PYROTECHNICS/CONFETTI/SFX

All use of open fire and pyrotechnic products are prohibited at Magasinet. Use of confetti products must be approved by the staff before get-in. The use of confetti products does, however, involve an extra cleaning fee of 4000 dkk (ex VAT). If you plan to use lasers or other special effects, it must be approved by the staff in advance. Contact can be made at kmprod@odense.dk

SMOKING

Due to national law, all kinds of smoking indoor is prohibited.

SOUNDLIMIT

According to EU noise regulations, we are enforcing a 103dB(A) limit (average over 15 minutes, measured at FOH). This ensures a healthy environment for both the audience and the employees.

MERCHANDISE

We are able to provide 1-3 desks for you to set up a merchandise space at the main entrance. We do not offer staff to man the merchandise space. The merchandise space is approximately 1 x 3m.

BACKLINE

We do not provide any backline equipment.

STAGE

The stage dimensions are 13,00m wide, 9,65m deep, 1,12m tall, with a clearance to the hoists at 5,70m. There is no fire curtain.

ELECTRICAL OUTLETS

- 1 x 125A CEE outlet, 3 phase, 400V, 50Hz (upstage, right)
- 2 x 63A CEE outlet, 3 phase, 400V, 50Hz (upstage, right)
- 2 x 32A CEE outlet, 3 phase, 400V, 50Hz (upstage, right)
- 2 x 16A CEE outlet, 3 phase, 400V, 50Hz (upstage, right)
- 1 x 32A CEE outlet, 3 phase, 400V, 50Hz (centre stage right – sound gear only)
